

# City of South Miami

## Grants & Sustainable Initiatives Tree Planting Initiative

Property Owners, please fill out the form below if you are interested in the City of South Miami planting a tree in the right-of-way of your property.

Trees have many benefits including:

- ✓ Reduces storm water runoff in many ways which helps reduce flooding and clears the water prior to recharging the aquifer
- ✓ Saves energy by providing shade and cool air as leaves evaporate water
- ✓ Increases property values and makes communities more appealing
- ✓ Improves air quality by absorbing carbon dioxide & pollutants, as well as producing oxygen

Mail form to: Shari Kamali, Assistant City Manager  
6130 Sunset Drive  
South Miami, FL 33143

Or scan and email to: [skamali@southmiamifl.gov](mailto:skamali@southmiamifl.gov)
