

SOUTH MIAMI POLICE DEPARTMENT

To Protect and Serve

RENE G. LANDA
CHIEF OF POLICE

The South Miami Police Department's Mission Statement

"To deliver professional police services in partnership with the people we serve, in order to provide a safe and secure environment for all."

Police Chief Rene Landa has assigned his Command Staff an initiative called "Own a Zone". The City of South Miami is comprised of six zones and each zone has been assigned to a specific staff member. Each staff member will be the liaison for the citizens in that area and will be responsible for assisting them with police and community safety issues. This will be done by providing advice and/or direction for a remedy when concerns are brought forward.

On the backside of this flyer, a map of our City outlining the specific zones and assigned liaison has been provided. Feel free to make contact with them by the below means, to discuss issues, problems or to make an appointment for a simple meet and greet. We look forward to working with you to create a more responsive police force and an increasingly safe and secure community.
