City of South Miami

Citizen Suggestions

The City of South Miami invites you to share your comments and concerns about our services. Got a complaint? Let us know! Did we do something you liked? Let us know that, too!

We don't ask your name, but if you would like us to get back with you, it would be helpful.

Please use the space below and the back of this form, if needed. Please be as specific as you can so we can provide an effective response to your concern. Thank you.
