April 29, 2019

Arbor Day celebration at Fuchs Park

The City's Parks and Recreation Department partnered with the South Miami Garden club and the South Miami Rotary Club to host 2019's Arbor Day celebration at Fuchs Park last Friday, April 26, 2019 from 10:00a to 1:00p. The project included the planting of two (2) trees around the park and education on how to properly install and care for new trees. As a result of this collaboration, over 25 arbor enthusiasts, learned how to improve the quality of our land in our own communities.
