

DOG PARK ADVISORY:

CANINE INFECTIOUS RESPIRATORY DISEASE COMPLEX (CIRDC)

There has been a sudden increase in the number of cases of Canine Infectious Respiratory Disease Complex (CIRDC) in South Florida. Dog owners are encouraged to take precautions when visiting a dog park.

Miami-Dade County Animal Services advises dog owners to protect your dog(s) by visiting the vet, keeping your pet(s) current on routine vaccines, and avoiding dog parks/settings with multiple dogs.
